

## THE BEST MAGAZINE PROGRAMS IN THE FUNDRAISING INDUSTRY

We Help You Promote Reading At Home

### Great For Parents

Parents who read have kids who read. In fact, children are more likely to read if they see their parents make reading a habit. We offer both print and digital titles.

### Great For Kids

Magazines are filled with nonfiction writing which help children develop critical thinking skills. Magazine articles provide reluctant readers with a lively breezy writing style that can inspire them to read more.
