

THE DODO BAG CO.™

At Dodo™ Bag Co. we believe that protecting the environment is a wise investment for our future. Billions of plastic bags are polluting our planet. Make a difference — carry a reusable Dodo™ shopping bag and support your local fund raising organization.

Let's make plastic bags 'extinct' and leave a legacy that would make our children proud.

THE DODO STORY

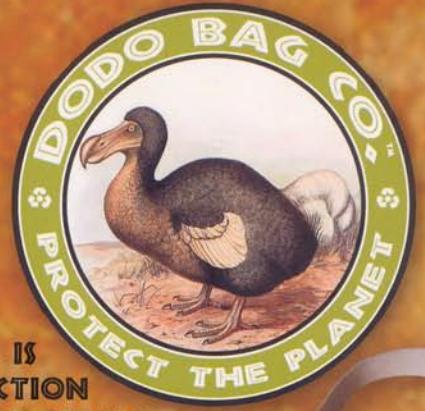

TOO OFTEN WONDERFUL CREATURES LIKE THE DODO BIRD BECOME EXTINCT DUE TO OUR ABUSE OF THEIR ENVIRONMENT. THE HARM CONTINUES WITH PLASTIC BAGS BEING THE #1 LITTER PROBLEM WORLDWIDE. AT THE DODO BAG CO.™ WE BECAME INTERESTED IN REUSABLE SHOPPING BAGS WHEN WE LEARNED HOW PLASTIC BAGS ARE IMPACTING OUR ENVIRONMENT.

YOUR PURCHASE OF A DODO™ BAG IS HELPING A LOCAL FUND-RAISING GROUP RAISE MONEY FOR A WORTHWHILE PROJECT. OUR GOAL IS TO DONATE A PORTION OF THE SALE OF EACH BAG TO THE PROTECTION OF ENDANGERED SPECIES AS WELL AS RESTORATION AND CLEAN-UP PROJECTS.

WE HOPE YOU PURCHASE AND ENJOY ONE OR SEVERAL OF OUR BAGS.

THANKS FOR JOINING US IN OUR EFFORTS TO PROTECT THE PLANET.

Plastic Facts

Plastic bags Kill over 100,000 birds, whales, seals and turtles every year.

The U.S. uses 100 billion plastic bags annually, consuming about 12 million barrels of oil, wasting our resources.

A million plastic bags are used every minute worldwide. That's over 500 billion bags each year polluting our planet.

Plastic makes up 80% of the volume of litter on land and 90% of floating litter in our oceans.

Plastic bags are not biodegradable and can take up to 500 years to decompose, eventually they break down into tiny toxic bits polluting our soil, rivers, lakes and oceans.

START CARRYING REUSABLE BAGS EVERYWHERE YOU GO. MAKE IT A HABIT WHEN YOU'RE GOING TO THE GROCERY STORE, SHOPPING, SCHOOL, SPORTING EVENTS, OR ANY ACTIVITY IN YOUR BUSY SCHEDULE.

Please make checks payable to the Organization
