"THE EAGLE'S TEAR"

Like a missile it came,
from out of the sky;
we don't understand it,
we just don't know why.

But in one beat of a heart, many lives were taken,
and down deep in our hearts, our souls were shaken.

And so a tear fell from the Great Eagle's eye, but America's spirit will never die.
For our Great Eagle's been through it before, and the terrorists will learn, again it will soar.

Cause the eagle has claws, that are solid as steel; for it stands for the justice, that is sacred and real.
So like the strength of an eagle, let's spread our wings and fly, so the memory of those taken
will not ever die.

For united we stand and divided we fall; if we don't stand for the eagle, we stand for nothing at all.
The eagle has freedom as he flies across our land, so don't let his tears stain our land that's so grand.

So stand up and be counted; the price we must pay for the freedom we've shared in our U.S.A.
